Professional Experience

Enterprise Account Executive - Scalestack

Oct 2026 - Present | Remote | AI-Powered GTM Data & Enrichment Platform

- Own a full enterprise book, sourcing and closing new accounts while serving as the primary point of contact for existing customers.
- Manage customer requests and ongoing account relationships, partnering cross-functionally to drive adoption and satisfaction.
- Drive account expansion and net revenue retention across the customer base.

Strategic Account Executive - Camunda

Jan 2026 - Sep 2026 | Remote | Enterprise Process Orchestration & Automation Platform

- Drive strategic enterprise expansion and net-new acquisition across tier-one accounts, aligning end-to-end process orchestration architecture with enterprise-wide digital transformation goals.
- Partner cross-functionally with Solution Architects, Sales Engineering, and executive stakeholders to navigate multi-threaded evaluations and accelerate deal velocity.
- Execute proactive Account-Based Marketing (ABM) and stringent MEDDPICC qualification frameworks, consistently generating top-tier self-sourced pipeline.

Senior Strategic Account Manager - DryvIQ

Aug 2024 - Jan 2026 | Remote (Ann Arbor, MI) | Enterprise Unstructured Data Management & Governance

- Delivered 142% quota attainment in first full year; built and sustained 400% pipeline coverage across designated territory.
- Maintained a 92% renewal rate.
- Secured major multi-year enterprise contracts, including a landmark win with a major Tier-1 US financial institution.
- Formulated and executed multi-threaded penetration strategies across key accounts, driving deep customer alignment and expansion.
- Delivered the highest volume and percentage of self-sourced pipeline across the entire sales team.

Strategic Account Executive - Astronomer

Jan 2024 - Jul 2024 | Remote (San Francisco, CA) | Data Orchestration Platform (Commercial Apache Airflow)

- Achieved 100%+ quota attainment in both consecutive quarters while generating the highest self-sourced revenue in the region.
- Employed rigorous MEDDICC discipline to navigate complex technical evaluations, managing multi-stakeholder enterprise buying groups with extended budget cycles.

Strategic Account Leader - GitLab

Dec 2020 - Dec 2023 | Remote (San Francisco, CA) | Enterprise DevSecOps Platform

- Delivered 115% net retention on the existing-customer book.
- Delivered the highest net-new ARR in the region, exceeding $1M+ quota thresholds via targeted enterprise ABM campaigns.
- Achieved 111.5% quota in Year 1 (100% net new) and 115% quota in Year 2.

- Built a qualified pipeline exceeding 550% of annual quota (FY2021) and closed the region's largest strategic partner-led transaction.
- Led the Western region in self-sourced opportunities, new logo acquisition, and indirect revenue through key Value-Added Resellers (VARs).

Enterprise Account Executive - Pluralsight

Mar 2017 - Dec 2020 | Farmington, UT | Workforce Tech Skills & Developer Assessment Platform

- Earned President's Club honors (2019, 2020) as one of the organization's top-performing enterprise account executives.
- Exceeded quota consecutively with 110% attainment (Year 1) and 150% attainment (Year 2); closed enterprise deals up to $743K with an average transaction size >$100K.
- Maintained a 90%+ net retention/renewal rate across assigned territory and established standardized outbound prospecting playbooks.

Director of Business Development - Hitachi Solutions America

Jan 2015 - Mar 2017 | San Francisco, CA | Enterprise Microsoft Cloud & CRM Consulting Services

- Built greenfield Desert Mountain territory from inception, achieving 102% quota attainment in a highly competitive market.
- Led the Western region in self-sourced pipeline creation and new logo acquisition (2016), securing multiple strategic Financial Services wins.

Manager, International Sales & Service - X-IO Technologies (Xiotech)

Jan 2011 - Jan 2015 | Colorado Springs, CO | High-Performance Enterprise Storage & Hardware Solutions

- Led an international team of 5 account executives across APAC; drove 200% year-over-year revenue growth across new geographic markets.
- Closed multiple $500K+ enterprise accounts, including the largest cloud storage transaction in company history.
